One day Submission and E-registration of Companies (OneSEC) is a part of eSPARC, handling registrations for domestic stock corporations, including one-person corporations and those with 2 to 15 people involved. It's easy to use – most of the information is pre-filled, so registrants only need to enter a little data. The process is fully automated, from verifying the company name to issuing the Digital Certificate of Incorporation. OneSEC aims for one-day approval, simple procedures for data security, efficient information management, and a seamless, automated process.
