WORDS

From Customer Testimonial

“ JACCS Finance Philippines Corporation has been instrumental in helping our business grow. Their quick approval process and competitive rates made it possible for us to expand our operations when we needed it most. The customer service team is always responsive and professional. I highly recommend their services to any business looking for reliable financial support.

Fraudulent platforms may use the names, logos, SEC registration details, addresses, and other identifying information of legitimate companies to create a false appearance of legitimacy.

The Commission's records show that while JACCS Finance Philippines Corporation is a duly registered financing company, the subject website and OLP are not among the online lending platforms disclosed to and recorded by the Commission under the Company's name.

Accordingly, the public is strongly advised NOT to:

- Transact with the website <https://www.jaaccs.com> or the “Bear Cash” application;
- Submit personal, financial, or sensitive personal information through the said platform or website;
- Upload government-issued identification cards, photographs, banking credentials, e-wallet information, contact lists, or other personal data; or
- Pay any processing fee, service fee, advance fee, verification fee, insurance fee, or similar charge in connection with a purported loan application.

The public is reminded that unauthorized online lending platforms and fraudulent websites may expose consumers to identity theft, financial fraud, unauthorized collection of personal information, privacy violations, and other forms of online abuse.

Persons who may have been contacted by, transacted with, or provided information to the subject platform or website are encouraged to immediately report the matter to the SEC and, where appropriate, to the Philippine National Police Anti-Cybercrime Group (PNP-ACG), National Bureau of Investigation Cybercrime Division (NBI-CCD), and National Privacy Commission (NPC).

To verify whether a financing company, lending company, or online lending platform is duly authorized or recorded with the Commission, the public may visit the SEC website and use the SEC Check App.

The Commission remains committed to protecting financial consumers and will continue to coordinate with the appropriate government agencies and platform providers in addressing unauthorized, deceptive, and potentially fraudulent online lending activities.

For information, complaints, or assistance, the public may contact the SEC through:
