Mandate

The Securities and Exchange Commission (SEC) or the Commission is the national government regulatory agency charged with supervision over the corporate sector, the capital market participants, and the securities and investment instruments market, and the protection of the investing public. Created on October 26, 1936 by Commonwealth Act (CA) 83 also known as The Securities Act, the Commission was tasked to regulate the sale and registration of securities, exchanges, brokers, dealers and salesmen. Subsequent laws were enacted to encourage investments and more active public participation in the affairs of private corporations and enterprises, and to broaden the Commission's mandates. Recently enacted laws gave greater focus on the Commission's role to develop and regulate the corporate and capital market toward good corporate governance, protection of investors, widest participation of ownership and democratization of wealth.

SEC is the registrar and overseer of the Philippine corporate sector; it supervises more than 600,000 active corporations and evaluates the financial statements (FS) filed by all corporations registered with it. SEC also develops and regulates the capital market, a crucial component of the Philippine financial system and economy. As it carries out its mandate, SEC contributes significantly to government revenues.

With the growing number of corporations and other forms of associations that SEC supervises and monitors, and given the evolving nature of transactions where the corporate vehicle is being used to defraud the investing public, as well as the ever dynamic character of the capital market, SEC must progressively perform its critical role as the prudent registrar and supervisor of the corporate sector and the independent guardian of the capital market.

Vision

By 2025, the SEC with its driven, highly-trained, agile and customer-centric team of professionals, equipped with digital technology and adaptive registration and data management systems, is the premier investor champion and catalyst of a deep, broad and informed investor-based capital market and more empowered business sector considered among the best in the Southeast Asian (SEA) Region.

Mission

We are the gateway to doing business in the Philippines. We provide a competitive and secure environment for fast and easy company registration, efficient capital formation, broad investor participation and business innovation.

Core Values

Integrity

We are ethical, honest, fair, and sincere in our private and public lives.

Professionalism

We are capable and competent in performing our mandate, we excel in our fields of expertise, and we possess high ethical principles and standards which are essential in providing timely, quality, and committed public service.

Accountability

We are responsible for our actions and decisions.

Teamwork

We collaborate to achieve our common goals and tasks in a seamless and efficient manner.

Independence

We act without fear or favor, and render sound judgment in the performance of our duties and responsibilities.

10. One-day Submission and E-registration of Companies (OneSEC)

The One day Submission and E-registration of Companies (OneSEC) is a subsystem of the ESPARC that is currently catering to registration applications of DOMESTIC STOCK corporations which may be a ONE PERSON CORPORATION or CORPORATION with 2 to 15 incorporators, board of directors, and stockholders. This ESPARC subsystem is considered “pass through” since it only requires minimal encoding of data on the part of the registrants, as most of the company information is already pre-filled. The OneSEC processing is completely seamless and fully automated in the absence of human intervention on the part of the Commission starting from the name verification on the proposed corporate name, until the issuance of the digital copy of the Interim Certificate of Incorporation.

12. One-day Submission and E-registration of Companies (OneSEC)

The One day Submission and E-registration of Companies (OneSEC) is a subsystem of the ESPARC that is currently catering to registration applications of DOMESTIC STOCK corporations which may be a ONE PERSON CORPORATION or CORPORATION with 2 to 15 incorporators, board of directors, and stockholders. This ESPARC subsystem is considered “pass through” since it only requires minimal encoding of data on the part of the registrants, as most of the company information are already pre-filled. The OneSEC processing is completely seamless and fully automated in the absence of human intervention on the part of the Commission starting from the name verification on the proposed corporate name, until the issuance of the digital copy of the Interim Certificate of Incorporation.
