“PRIME ALGO”

The Commission hereby advises the public that **PRIME ALGO** and the individuals offering investment under its name are **NOT AUTHORIZED TO SOLICIT INVESTMENTS FROM THE PUBLIC**.

Based on information gathered by the Commission, **PRIME ALGO**, is enticing the public to invest their money in said entity.

As posted online, **PRIME ALGO** offers secure, transparent, and automated profits sharing to provide consistent daily earnings. Its AI-powered trading bot operates with accuracy and stability, giving investors peace of mind as their portfolios grow.

PRIME ALGO is offering investment to the public with a minimal amount of Php500.00. Investors may earn 25% in just 5 days up to 300% in just 30 days, depending on their chosen bot packages. In addition, investors may earn a 12% referral bonus.

The public is being made aware that an “*investment contract*” exists when there is an investment or placement of money in a common enterprise with a reasonable expectation of profits to be derived from the efforts of others which is prominent in the scheme of **PRIME ALGO**.

As such, the Securities Regulation Code (SRC) requires that said offer and sale of securities must be duly registered with the Commission and that the concerned entity and/or its agents should have the appropriate registration and/or license to sell such securities to the public.

Based on the Commission’s database, **PRIME ALGO** is **NOT REGISTERED** with the Commission as a Corporation or Partnership. Likewise, **PRIME ALGO** has not secured prior registration and/or license from the Commission as prescribed under Section 8 and 28 of the Securities Regulation Code (SRC).

Further, the scheme employed by **PRIME ALGO** has the characteristics of a “**Ponzi Scheme**” where monies from new investors are used in paying “fake profits” to prior investors and is designed mainly to favor its top recruiters and prior risk takers and is detrimental to subsequent members in case of scarcity of new investors.

The offering and selling of securities in the form of investment contracts using the “**Ponzi Scheme**” which is fraudulent and unsustainable, is **NOT** a registrable security. The Commission will not issue a License to Sell Securities to the Public to persons or entities that are engaged in this business or scheme.

Moreover, **R.A. No. 11765** or the **Financial Products and Services Consumer Protection Act** (FCPA) prohibits the commission of “Investment fraud”, defined as any form of deceptive solicitation of investments from the public which includes Ponzi schemes and such other schemes involving the promise or offer of profits or returns sourced from the investments or contributions made by the investors themselves and the offering or selling of investment schemes to the public without a license or permit from the SEC.

In view thereof, the public is hereby advised **NOT TO INVEST** or to **STOP INVESTING** in the investment scheme being offered by **PRIME ALGO**, and its **representatives**.

Those who act as salesmen, brokers, dealers, agents, representatives, promoters, recruiters, uplines, influencers, endorsers, abettors, and enablers of **PRIME ALGO**, in selling or convincing people to invest in the investment scheme being offered by the said entity including soliciting investments or recruiting investors through the internet may be held criminally liable under Section 11 of the FCPA and Section 28 of the SRC which are both penalized separately with a **maximum fine of Five Million Pesos (Php5,000,000.00) or imprisonment of Twenty One (21) years or both pursuant to Section 73 of the SRC** (*SEC vs. Oudine Santos, G.R. No. 195542, 19 March 2014*).

Furthermore, the names of all those involved will be reported to the Bureau of Internal Revenue (BIR) so that the appropriate penalties and/or taxes be correspondingly assessed. Should you have any information regarding the operation of **PRIME ALGO** and its representatives, please send your report to the EIPD through email at epd@sec.gov.ph

For the information and guidance of the public.
