

As part of our commitment to maintaining a secure and reliable online experience, we will be performing a firewall upgrade to address identified security risks and ensure compliance with current security standards.

Maintenance Schedule:

- **When:** Saturday to Sunday, **December 20–21, 2025**
- Please note: The activity may be completed earlier than scheduled, depending on progress and system stability.

Affected Online Services:

- CIFSS
- eFAST
- eSearch
- ENDOW
- AWE

During this maintenance window, these services may experience **intermittent unavailability**. We recommend completing any urgent transactions before the scheduled maintenance period.

We appreciate your understanding and cooperation as we work to strengthen the security and reliability of our systems.
