B. CLARIFICATIONS

Reference	Queries	Responses
Section VI. Schedule of Requirements Within forty-five (45) calendar days upon receipt of the Notice to Proceed	1. We would like to request an extension to 60 to 90 calendar days, to allow ample time for proper sourcing, quality control, and delivery logistics. 2. Relax delivery timeline from 45 CD upon NTP, to 60 CD upon NTP.	Please refer to Annex "A" for the revised Schedule of Requirements Form.
Section VII. Technical Specifications Display: at least 15.3" 2.8k (2880 x 1800), OLED, Anti-Reflection/Anti-Smudge, Non-Touch, HDR 600 True Black, 100%DCI-P3, 500 nits, 120Hz	May we request to relax the display requirement from 15.3" to 14", and the brightness from 500 nits to 400 nits. Additionally, we seek clarification on whether equivalent features to "OLED, Anti-Reflection/Anti-Smudge, Non-Touch, HDR 600 True Black" may be accepted, as the current specifications appear to align closely with a single brand.	Please refer to Annex "B" for the revised Conformity with the Technical Specifications Form.
Section VII. Technical Specifications Graphics: Integrated Intel Arc Graphics 140V	May we request to omit or relax the "140V" suffix in the graphics specification, as availability may vary by region or model variant.	Please refer to Annex "B" for the revised Conformity with the Technical Specifications Form.
Section VII. Technical Specifications Battery: Li-Polymer 80Wh battery	May we request to relax the battery requirement from 80Wh to 64Wh, which is still suitable for professional and high-performance use.	Please refer to Annex "B" for the revised Conformity with the Technical Specifications Form.

Section VII. Technical Specifications Camera: at least 8MP IR with Shutter	May we request to relax the camera specification from 8MP to 5MP, which still provides clear image quality and is more widely available in current commercial laptop models.	Please refer to Annex "B" for the revised Conformity with the Technical Specifications Form.
Section VII. Technical Specifications Ports: 1 x HDMI	May we ask if the use of a dongle or adapter (USB-C to HDMI) is acceptable to meet the HDMI requirement?	Please refer to Annex "B" for the revised Conformity with the Technical Specifications Form.
Warranty: Three (3) years on parts, power adapter, and support (on-call and on-site) Able to provide online, oncall and onsite on SEC Head Office and SEC 31 Extension Offices within warranty period.	Can you share SEC extension offices where the units will be deployed?	Units will be deployed at the following SEC Extension Offices: • Baguio Extension Office • Tarlac Extension Office • Iloilo Extension Office • Legazpi Extension Office • Bacolod Extension Office • Cebu Extension Office • Tacloban Extension Office • Zamboanga Extension Office
Operating System Licensing	We recommend that the OS license key be embedded in the BIOS to ensure authenticity, prevent gray market software use, and enable automatic activation upon reinstallation.	The OS license should be embedded in the BIOS.
Authorized Reseller Certificate	We suggest requiring bidders to submit a certificate from the manufacturer confirming that they are an authorized reseller of the offered brand.	Please refer to Annex "B" for the revised Conformity with the Technical Specifications Form.
Software Distributor Certificate	For Microsoft and Fortinet products, we propose that bidders be required to submit a certificate from authorized distributors to verify legitimacy and support eligibility.	The requirement is retained.

Provisions in the bidding documents that are in conflict with this Bulletin are deemed revised/amended. For guidance and information of all concerned.

23 July 2025

OLIVER O. LEONARDO
Chairman, Bids and Awards Committee
