Subject: Extension of the Transitional Use of the 2020 General Information Sheet (GIS) Form for GIS and Beneficial Ownership Declaration (BOD) Page Filing Through eFAST Until 31 July 2026

The Commission hereby informs all corporations and other concerned stakeholders that the transitional use of the 2020 General Information Sheet (GIS) form, which includes the Beneficial Ownership Declaration (BOD) Page, is hereby extended until **31 July 2026**.

During the extension period, corporations may continue to file their GIS and BOD Page through eFAST using the 2020 GIS Form without being redirected to the Hierarchical and Applicable Relations and Beneficial Ownership Registry (HARBOR). This extension is intended to facilitate a smooth transition to HARBOR while the Commission continues to address technical issues affecting the filing process.

All concerned are encouraged to file their reports on or before the applicable deadlines and to monitor the Commission's official website and social media pages for further announcement regarding the full implementation of HARBOR.
